Please join us in learning more about how Green Building is fueling the North Florida Economy.

Nick Sacia is the Executive Director of the St. Johns County Chamber of Commerce Economic Development Council (EDC). He is the key contact to qualified project leads for targeted existing business, new business, and the development of new business sites. He plays a key role in EDC partnerships with St. Johns County, the Industrial Development Authority, Worksource, and the Cornerstone Economic Development Partnership of the Jacksonville Regional Chamber of Commerce. He coordinates the EDC Business Recruitment and Business Expansion & Retention Advisory Groups.

Danita Andrews is the Vice President of Economic Development of the Clay County Chamber of Commerce. She is primarily responsible for developing and implementing all aspects Development programs including Business Recruitment, Business Retention/ Expansion and International Business Development programs as well as the Brownfield Redevelopment initiative.

Mr. Derek Igou has been employed by the City of Jacksonville since 1988 when he was hired as an Engineering Technician with the Regulatory and Environmental Services Department (now Environmental and Compliance Department). He has held several positions with the City including Public Relations Manager, Cable Franchise Manager, Division Chief of the Public Parking Division, and Division Chief of the Property Safety Division. He now serves as the Deputy Director of the Environmental and Compliance Department. In 2008, Mr. Igou was appointed by Mayor John Peyton as the city's Sustainability Officer.
