

North Florida Chapter
U.S. Green Building Council

We look forward to seeing you at this month's chapter meeting.

The Living Machine – Cutting Edge Ecological Waste Water Technologies (Eco Machines)

PRESENTED BY: JONATHAN TODD, PRESIDENT
JOHN TODD ECOLOGICAL DESIGN

SPONSORSHIP OPPORTUNITIES AVAILABLE!

New to this chapter, we are now offering sponsorship opportunities. This is a great opportunity for you to highlight your company at our programs.

juliehargrove@acousti.com

Jonathan Todd will be narrating a PowerPoint on the history of Eco-Machines™ and Aqua-Restorer™, and other ecological strategies to remediate impaired water bodies and purify

wastewater. The talk will focus on water issues specific to the St. Johns River, especially excessive nutrient loading, and explore the integrated use of wetlands and mycelia to provide riparian protection and onsite wastewater treatment. Discussions will also include the opportunities for integrating such ecological processes into an academic setting.

In 1995, after 15 years working with governmental development and engineering projects in consulting and leadership capacities around the world, Dr. Todd's son Jonathan accepted his father's invitation to help shape the vision of John Todd Ecological Design. Jonathan quickly dove into the planning, fabrication and operation of a wide variety of Eco-Machines™ and Aqua-Restorer™ technologies for clients throughout the world.

Jonathan works closely with each client in all phases of each project, overseeing the detailed execution of priorities on the ground while carefully managing and delegating the day-to-day workload of the company's project and engineering teams. Most importantly, Jonathan works closely with Dr. Todd to ensure the completion of each project meets with both the progressive vision of his father and the client's specifications, aesthetic and standards.

Jonathan has a keen interest in developing sustainable solutions for refugee populations.

WHEN:

September 17, 2009
11:30 AM - 1:00 PM

WHERE:

Jacksonville University Davis College of Business
First Floor, 2800 University Boulevard N., Jacksonville, FL
Parking in Lot I. Directional Signage to the Lot and Shuttle Service from the Lot will be Provided (see map attached)

COST:

\$30 / North Florida Chapter Members

\$40 / Non-North Florida Chapter Members

\$15 / Students

Register Online by September 14th at the link below:

<https://web.memberclicks.com/mc/quickForm/ViewForm.do?orgId=usgbcnf&formId=65337>

Please contact Sonja Curcic with any questions at scurcic@rinkdesign.com

NOTE: A \$5 fee will be added after the deadline. 72 hr cancellation policy. If you must cancel, please send an email message to scurcic@rinkdesign.com. No-shows will be billed.
